**JANUARY**

CLASS 16: January 13, 2019

## *We are over halfway through the year!*

We have 15 Sundays left of this school year for KidzMin, it has been a privilege to nurture your children's Bible education and fellowship with other Christians. New curriculum is already here and we're excited to finish the year strong!

## *How are we doing? We want to be sure you are heard!*

We were so excited to come back to an amazing attendance last week. Wow, it was so refreshing to see the kids happy to come back to their Sunday School routine after a couple weeks off. We always want Kidz Ministry to a blessing to your children and your entire family, if there is anything we could be doing better or if you have any ideas to add to our annual plan - feel free to drop us a line via email or call/text at any time:
