CLASS 20: February 10, 2019

Seeing Jesus Within Ourselves & Others

One of the main focuses we have in Kidz Ministry is to learn about God's Word and then share His Word with others. According to **Mark 12:30-31 - 30 Love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength. 31 The second is this: 'Love your neighbor as yourself.' There is no commandment greater than these.**

Reading this, God's message to us is clear - love is very important to Him and should be to us. In KidzMin, we want to focus our efforts on spreading this love within our students and for them to share this special love with others outside of Sunday School.

Even though we do not see Jesus physically, we can see Jesus in each other and in ourselves when we focus on loving others. Talk with your children on who may need love, ask them what love means to them and how we can show and demonstrates different ways to love.

With the homemade flowers that the children are making on this Valentine party day, allow them to gift them to others who may not be expecting - but will benefit from this symbol of love.

Who can your children come up with to offer up some love?
